Online ISSN-1087-1090

#### Dear Colleagues,

We would like to invite you to submit manuscripts of your original papers, for possible publication in **International Journal of Applied Engineering Research (IJAER)**.

The International Journal of Applied Engineering Research (IJAER) is an international research journal, which publishes top-level work from all areas of Engineering Research and their application including Mechanical, Civil, Electrical, Chemical, Electronics, Mathematics and Geological etc. Researchers in all technology and engineering fields are encouraged to contribute articles based on recent research. Journal publishes research articles and reviews within the whole field of Engineering Research, and it will continue to provide information on the latest trends and developments in this ever-expanding subject. More information on the journal and the publishing process can be obtained at journal homepage: [www.ripublication.com/ijaer.htm](http://www.ripublication.com/ijaer.htm)

**Submission:** Authors are requested to submit their papers electronically to [submit@ripublication.com](mailto:submit@ripublication.com) with mention journal title (**IJAER**) in subject line.

**Submit your papers by email at [submit@ripublication.com](mailto:submit@ripublication.com)**

#### Our other International Journal which are indexed in SCOPUS

International Journal of Oceans and Oceanography	ISSN 0973-2667
International Journal of Applied Environmental Sciences	ISSN 0973-6077
International Journal of Applied Chemistry	ISSN 0973-1792
Global Journal of Pure and Applied Mathematics	ISSN 0973-1768

#### Author benefits:

The benefits of publishing in **International Journal of Applied Engineering Research (IJAER)** includes:

- **Fast publication times:** your paper will appear online as soon as it is ready, in advance of print version (review time of paper is 1-2 weeks)
- Excellent editorial standards
- Access free on-line issue of journal for one year
- A rigorous, fast and constructive peer review process
- All abstracts and full text available free on-line to all main universities/institutions. Worldwide ensures promotion to the widest possible audience.

We shall be glad to receive your technical contributions at your earliest convenience. Please publicize this journal amongst your colleagues for possible contribution and subscription.

*With kind regards,*
