International Conference on Materials, Energy and Mechanical Engineering 2021 (ICME$^2$ - 2021)

About the Conference

International Conference on Materials, Energy and Mechanical Engineering (ICME$^2$ 2021) convene leading academicians, researchers, engineers and scientists to share the latest knowledge and advances in the discipline. ICME$^2$ will be bringing researchers from relevant disciplines together from across nations, disciplines and organizations to focus on integration priorities and gaps that need to be addressed in order to advance the field. It will benefit researchers, material scientists, mechanical engineers, process engineers, interdisciplinary researchers and a variety of others working in the fields of energy technology and engineering, manufacturing and nanotechnology.

ICME$^2$ will provide a promising novel look in various expertise areas of materials, energy and mechanical engineering through comprehensive visualization and multiple dimensional approaches. Attendees will gain insights on recent advances and discuss opportunities to overcome challenges in the field.

Contributing papers are invited to the following broad categories, but not limited to:

- Material Science and Engineering
- Materials manufacturing and processing
- Materials properties measuring methods and application
- Nanotechnology & smart materials
- Energy engineering and technology
- Methodology of research and analysis and modeling
- All areas of mechanical Engineering

About Madanapalle Institute of Technology and Science (MITS)

Madanapalle Institute of Technology and Science (MITS) is an autonomous institution that was established in 1998 in the picturesque and pleasant environs of Madanapalle and is ideally located on a sprawling 30-acre campus. It has a resort-like atmosphere, which is refreshing and exhilarating at the same time. The UG courses such as ME, CSE, EEE and ECE are accredited by NBA. The college is awarded ISO 9001:2008 certification for the quality policies it is implementing. The campus comprises aesthetically designed buildings that are networked by Wi-Fi technology. This institution is established with modern workshops and labs, computer and internet facilities, seminar halls, a well-equipped library and sports facilities that provide an excellent learning environment for the students. MITS offers UG, PG & PhD courses in Mechanical, Civil, Electrical & Electronics, Electronics & Communications, Computer Science Engineering, MBA and MCA.

MITS originated under the auspices of Ratakonda Ranga Reddy Educational Academy under the proactive leadership of Dr. N. Vijaya Bhaskar Choudary, PhD, Secretary & Correspondent. MITS enjoys constant support and patronage of NRIs with distinguished academic traditions and vast experience in Engineering and Technology. The management spares no effort to develop the institution as one of the best centres of academic excellence. MITS, selected for TEQIP-II as one of the Top 25 private Engineering Institutions in the country.
About Department of Mechanical Engineering, MITS

The Department of Mechanical Engineering was established at the inception of the college. The department offers UG, PG and PhD programmes. PG programmes are being offered with specialization in Machine Design and Advanced manufacturing systems. The course offers a deep insight into the discipline and empowers promising engineers with the required skills for a successful career in mechanical engineering. The department is recognized as a research and development centre by JNTUA, Ananthapuramu to offer doctoral programmes. The department has excellent infrastructure and is well equipped with modern laboratories. The department has highly qualified, experienced, dedicated and motivated faculty with industry and research backgrounds.

Publication

The proposed submitted research articles will be published in reputed international journals with Web of Science, Scopus indexed and Conference Proceedings Citation Index. The publication charges will be notified to the authors.

Submission of Abstracts

Prospective authors are invited to send the short abstracts not more than 300 words excluding the keywords as a MS word document file.

The abstract shall contain the following:

1. Title of the paper
2. Authors names
3. Author affiliations
4. Corresponding author email address
5. Corresponding author contact number
6. Keywords (five words)

Abstract Submission Process

Submit the abstract through the below link or scan the QR code. [https://bit.ly/3DagpJQ](https://bit.ly/3DagpJQ)

The Abstract format has been provided in the Abstract submission form.

After the submission of Abstract, please send a mail with your registered email address to icme2-2021@mits.ac.in

Registration Process and Charges

Please fill the Registration form and send it before the due date with an online fee of 500/- INR for Indian participants and 20 USD for foreign participants (excluding the publication charges).

Note: Payment details and registration link will be shared only to the candidates whose “abstract” is accepted. A paper ID will be provided after the acceptance of abstract.

After payment of fees, send transaction details to the following email address mentioning your paper ID in the subject line: icme2-2021@mits.ac.in
