HRD Government of India reminded all that our existence in this free, prosperous country is thanks to the sacrifices made by millions of freedom fighters, who braced violence peacefully, suffered atrocities with silent but eloquent bravery, and stoically sacrificed their personal gain for the future generations that is all of us. The free air that we breathe in this country is therefore the gift we got from our past few generations, who martyred themselves so that we have a bright future.

As the students in our educational institutions come with stars in their eyes and dreams about the future that are going to have, it is essential that they know our past, the sacrifices made by the thousands of martyrs who have made this dream possible. When we remember them, and understand what toil has gone into making of our country, we understand the responsibility cast on us to use this precious gift of freedom with care.

What a better day than this Independence Day to remind all our students about this? That's why Government has decided to celebrate "Azaadi 70" "Independence 70" from 9th to 23 August 2016.

As an initiation to this the NSS and department of Physical education gave a call to all the students to assemble at 4'o clock before the round building in kabadi court to organize the rally. **On that day nearly 800 students from different branches and 211 NSS volunteers, SPORTS, and others assembled.**

On our invitation Vice principal DR. G.Hampamma started the rally with a green flag and NSS program officer had given patriotic slogans.
