

## Off-line workshop on IPR for Students and Faculty Members

19-Jan-2019

Venue Seminar Hall D

Prof. Hemath Kumar briefing the importance of Intellectual property rights

Off-line workshop on IPR for Students and Faculty Members was conducted by Local Expert Dr.G.Hemath Kumar, Research Professor, MITS.

The Key focus was made on the awareness of Intellectual Property rights and uses of the same in engineering research based education.

Around 120 students and 6 faculty members were participated and benefited. Professor gave more clarity on patenting process, how to get patent for their idea or product.

He explained the legal issues and step by step process for filing patents. He elucidated the national and international patenting and their values during the session.

Prof. Hemath interacted with students and demonstrated the adverse consequences of the negligence towards not patenting the idea or design of the invention.

Prof. Hemath Kumar explaining students and faculties on how to enhance their awareness towards IPR and apply towards engineering research
