

Faculty Achievements in the academic year 2021-2022

Sl. No.	Type of assignment	Details of assignment	Period
Dr. Dipankar Roy, Professor and Head			
1	Members in expert committees	IAHR - International Scientific Committee (ISC)-9th International Symposium on Hydraulic Structures (ISHS 2022) to be held at IIT Roorkee	23-04-2021
2	Training Programme	ISO/IEC 17025:2017 Lab Management Awareness & Internal Auditing (as per NABL Requirement	27th to 30th December 2021
3	Workshop: Resource Person	General Requirements for the competence of testing and calibration laboratories as per ISO/IEC 17025: 2017	8th January, 2022
Dr. Avadhoot Bhosale, Associate Professor			
1	Reviewer in journal	1. ASCE Journal of Architectural Engineering. 2. ASCE-ASME Journal of Risk and Uncertainty in Engineering, systems Part A: Civil Engineering	2021-2022
Dr. Vinod Kumar Adigopula, Associate Professor			
1	Invited Speaker/Guest Lectures	Delivered Guest lecture: K.S.R.M.C.E (Kadapa)	18-06-2021
2	Reviewer in journal	International Journal of Pavement Research and Technology	07-08-2021
3	Joint publication in journals	International Journal of Pavement Research and Technology(ESCI/Scopus, Springer)	2021-2022
4		Journal of Innovative Infrastructure solutions(ESCI/Scopus, Springer)	2021-2022
5	Examiners in other universities	K.S.R.M.C.E(B.Tech external viva Examiner)	2021-2022
6	Online courses attended	NPTEL- Introduction to Research	2021-2022
7	Publication/Chapter/Books	Lecture notes in Civil Engineering (Book Chapter)	2021-2022
8	Conference Papers	Bentham Book Chapter	2021-2022
9		International Conference on Transportation Systems Engineering and Management	2021-2022
10	Any Faculty Achievements, Awards, Recognition, Appreciation	Certificate of participating in "The Guinness World record event most users to take an online computer programming lesson 24 hrs"	2021-2022
11		Reviewer for International conference on Transportation and Systems Engineering and Management	2021-2022
12		Received appreciation letter for reviewing articles for "2nd International Conference on sustainability construction technologies and advancement in civil engineering"	2021-2022
Dr. Sudheerkumar Yantrapalli, Senior Assistant Professor			
1	Reviewer in journal	Journal of Geoscience, Engineering, Environment, and Technology	08-09-2021

2	Any Faculty Achievements, Awards, Recognition, Appreciation	Session Chair in Internatioal Conference on Emerging Trends in Civil Engineering-2021, organized by Civil engineering, Dept., Narasaraopeta Engineering College	16-08-2021
3	Training Programme	ISO/IEC 17025:2017 Lab Management Awareness & Internal Auditing (as per NABL Requirement)	27th to 30th December 2021
4	Workshop: Organiser	General Requirements for the competence of testing and calibration laboratories as per ISO/IEC 17025: 2017	8th January, 2022
Dr. Mahesh.G.B, Senior Assistant Professor			
1	Reviewer in journal	Reviewer for International Conference (ONLINE) On Civil Engineering Trends and Challenges for Sustainability (CTCS 2021)	21-09-2021
Mr. Pradeep. M, Assistant Professor			
1	Workshops/ Short Term Course/ Faculty development programme	Futuristic Trends in civil engineering	26- 7-2021 to 31/7/2021
2		Design and construction practices of Bridges	
Mr. Mahantesh Neelawani, Assistant Professor			
1	Workshops/ Short Term Course/ Faculty development programme	Recent advances in Geotechnical earthquake engineering and soil dynamics	2021
2		Recent Advance in Geotechnical Earthquake Engineering	2021
3		Futuristic Trends in civil engineering	2021
4		Innovation Incubation and research challenges in India	2021
5		Design and construction practices of Bridges	2021
6		Analysis Design and Testing of Towers	2021
7		Engineering Probes- Mechanics of Cement and Utility of Microbes	2021
8		Renewable and Non-renewable Energy conservation and pollution control	2021
9		Flexible slope stabilization and Rockfall protection measures	2021
10		Planning of geotechnical investigations with case studies	2021
11		Foundation for Infrastructure facilities: Principles and sustainable practices.	2021
12		Overview of Site investigation from land to offshore deepwater projects	2021
13		Cone penetration testing basics and applications in Geotechnical and Geoenvironmental engineering practice	2021
14		Plate load test and Field vane shear test - codal provision and practice.	2021
15		Application of Softwares in Civil Engineering.	2021
16		Case Studies in geotechnical Engineering	2021

17	Advance in geotechnical engineering and Reliability of structures	2021
Faculty in-Charge		HOD

Head of the Department
Civil Engineering
Madanapalle Institute of
Technology & Science
MADANAPALLE - 517 325
