About Session :

A Expert Talk on “Outcome Based Education (OBE) organized by CSE Dept was held from 33 July 2022 where the CSE Faculty were present. The main objective of the talk has a gander at present educational framework and to give the quality and quantity output with the help of some educational modules structures. Dr.K.Lakshmi, Professor Dept of Computer Science & Engg. The event started with an overwhelmingly warm welcome. He discussed the importance about the issues on Academic Quality Work, Components of OBE, Program Educational Objectives (PEO), Program and Course Outcome, Mapping between POs to PEOs, Mapping of COs to Pos, Process of OBE, Continuous Quality Improvement, and Bloom’s Taxonomy & Order of Learning, Objectives of Accreditation and its Criteria. He instructed the respective departmental Committee to take necessary steps to write Program Educational Objectives (PEO), Program Outcome (PO), Course Outcome (CO), and PO to PEO, Course outcome to PO. Speaker had interactive sessions with the faculty on course outcomes and mapping to create experience for all the participants. She also has given the effective ideas for the set up the quality bench marks for academic and administrative activities. He suggested the faculty to be more self-conscious about quality education and research, and continuously involved in its improvement by self-competition and teamwork.

At the end of the session Dr. G. ArunKumar - Asso.Prof /CSE Dept proposed Vote of thanks to Dr.K.Lakshmi for delivering a wonderful session about Outcome Based Education and also thank the management ,Principal , HOD /CSE for providing this opportunity to conduct this event .
