**Report on  
Webinar on  
“Career goals and what industry expectations freshers”  
14.08.2020**

***Report Submitted by: Ms A. Srivani, Dept. of ECE, Department of Electronics and Communication Engineering***

**No. of Participants – 67**

The resource person was: **Mangayarakarasi Arumugam** , Alumni of PSG tech ECE from 2007-2011 Batch. She has about 9 + years of industry experience with respect to Integrated graphics , she had been working in Intel Corporation for all these years with majorly concentrating on display technologies. She had worked in about 7 Generations of Intel's Graphics and worked on edge cutting technologies like HDR , OLED ,etc on the verification domain with expertise in SV and UVM methodologies.

The department of Electronics and Communication Engineering, MITS, Madanapalle organized an Webinar on “**Career goals and what industry expectations freshers**” . This webinar was conducted on 14/08/2020 from 2.00 pm to 4.00 pm.

In this webinar **Mangayarakarasi Arumugam** enlightened students on what skills industries will be expecting, once they are graduated from college. She inspired students to fix their goals during their college beginning years and work towards it. She inspired students to improve their communication skills and also talked about practical skills required in different fields of Engineering. Final the session concluded with a question & answer session .
