Report on
A One-day National Level Technical Symposium TERA - 2019
16 April 2019

Submitted by: Dr. Rajendra Prasad Narne, Convener for TERA - 2019

The department of Electrical and Electronics Engineering organized a one-day National Level Technical Symposium “Technofest on Electrical Revolutions & Advancements (TERA-2K19)” on 16th April, 2019. A total of 108 students registered for the symposium.

The program was inaugurated by Dr. G. Hampamma, Vice-Principal (Administration), and the Chief Guest **Sri Vinoth Sankar, Senior R&D Engineer, ABB Innovation Center, Bengaluru**, on 16.04.2019 at 10.30 AM. In the inaugural function the Convener of TERA, Dr. Rajendraprasad Narne, Associate professor/EEE given a brief opening remark about the symposium. The Head of the Department of EEE, Dr. M. A. Asha Rani welcomed all the dignitaries and participants of TERA-2K19. The Dean ECE & EEE discussed the innovative thoughts that changed the Electrical Engineering field to a great extent. He also shared the success story of an eminent scientist Robert William Kearns. Dr. G. Hampamma emphasized the need for the participation in technical symposium and discussed the importance of innovations in the era of new technology which can cater to the needs of the society. Dr. Lakshmanan S. A., Academic Head, EEE, introduced the chief guest to the audience by reading his brief profile. The chief guest motivated the participants with his thought-provoking speech on Industry 4.0. He motivated the young engineers to update their knowledge towards the current industrial technologies as well. Finally, the inaugural session came to a closure by the Vote of Thanks by Dr. A. V. Pavan Kumar, Sr. Assist. Professor-EEE.

After a short Tea-break, two parallel sessions of the paper presentation were held in the MBA Seminar Hall and Scale-up class room WB-219. The poster presentation was held in the Control Systems Laboratory WB-120 and project expo was show cased at the Electrical Machines Laboratory WB – 020. All the internal and external participants participated with great enthusiasm and presented their papers, posters and projects to the respective panel members.

After the lunch break, the paper presentation sessions were continued in the respective halls. After completion of the paper presentation, the technical quiz was conducted in the Scale-up class room from 3.30 to 4.45 pm followed by the valedictory session. In the valedictory session, HoD, EEE gave the closing remarks of the event. The Dean ECE & EEE and Vice-Principal (Academics) appreciated all the participants of various events and congratulated the faculty organizers & student’s coordinators of TERA for making the event a grand success. Later, dignitaries on the dais distributed the cash awards and participation certificates to the winners of the various technical events. The external participants gave very good feedback about the organization of TERA-2K19. Finally, the session was concluded with vote of thanks by the Convener of the Programme Dr. Rajendraprasad Narne.
