

A ONE DAY WORKSHOP ON DESIGN THINKING

23 - 04 - 2019, Venue: Seminar Hall A

Mrs Vijaya Lakshmi, UIF coordinator along with UI fellows addressing the session

A One day Workshop on “**Design Thinking**” was organized by MITS Innovation Society on **23-April-2019** in our campus. **Around 45 students and 5 faculty members** were participated and benefitted in this workshop. Resource person was **Mrs. Vijayalakshmi U**, having industrial experience more than 20 years and received national and International awards during her career. Workshop was well organized by University Fellows and other senior faculty members. The objective of this workshop is to enhance the student’s creativity, thinking ability, team work, problem solving skill etc. Students can learn that, when they get problems, how to approach, handle and resolve it in an efficient manner. It was a great exposure to the student to work in a team. They learnt to develop an optimum solution for a problem. At the end of the workshop they developed number of prototypes for the different problems.
